Professional Summary

Data Science Engineering student at Ballari Institute of Technology and Management (BITM) with an interest in Data Science, Artificial Intelligence, Machine Learning, Python, and software development. Interested in developing practical solutions using programming, data analysis, and machine learning.

Education

Ballari Institute of Technology and Management (BITM), Ballari

Bachelor of Engineering (B.E.) – Data Science Engineering 2023 – 2027

- CGPA: **8.56 / 10**

PUC College Name

Pre-University Course (PUC) – Science 2021 – 2023

- Percentage: **84.24%**

School Name

Secondary School Leaving Certificate (SSLC) 2021

- Percentage: **90.56%**

Technical Skills

Programming	Python, C, C++, Java, SQL
Data Science	Python, NumPy, Pandas, Matplotlib, Seaborn
Machine Learning	Scikit-learn, Regression, Classification, Clustering
Web Technologies	HTML, CSS, JavaScript
Database	basic DSA
Tools	Git, GitHub, VS Code, Jupyter Notebook, Google Colab, Overleaf

Projects

Hospital Management System Python, SQL

- Developed a hospital management system to manage patients, doctors, appointments, and medical information.
- Implemented database operations for storing and retrieving hospital records.
- Designed the system to simplify management of healthcare data.

Interactive Car Game HTML, CSS, JavaScript

- Developed an interactive browser-based car game.
- Implemented player controls, obstacles, scoring, and collision detection.
- Created a responsive and user-friendly interface.

Certifications

- **Data science-infosys** – Certification
- **job stumilation - Deloitte** – Certification
- **generativ ai in e commerrs-Udemy** – Certification
- **MATLAB / Data Science** – MathWorks

Achievements

- Participated in technical workshops and coding activities.
- Completed technical courses related to Data Science, Artificial Intelligence, and Machine Learning.
- Developed academic and personal projects using programming and data science technologies.

Interests

Data Science | Artificial Intelligence | Machine Learning | Data Analytics | Python | Software Development
